All is made new - we hymn you, we hymn you

1. When you will
your words shall pour forth
from cracks and from crannies
in crumbling cathedrals,
and we see
that you are amongst us
rebuilding your kingdom.
All is made new
- we hymn you.

2. When you will
our walls must give way,
but poppies will blossom
on desolate trenches,
and we see
that nothing can sever
your world from your loving.
All is made new
- we hymn you.

3. When you will
a prophet appears
with power to utter
the truth to convince us,
and we see
you lead us to pathways
we never have heard of.
All is made new
- we hymn you.

4. When you will
our idols shall fall,
custodians tremble
at losing their power,
and we see
that You are our Master
perfecting your people.
All is made new
- we hymn you.

5. When you will
you call us to fight;
the Spirit will give us
your voice and your visions,
and we see
that churches can gather,
transformed to bear witness.
All is made new
- we hymn you.

6. Let it be:
your day will dawn clear
when darkness is routed
and death is defeated.
Let us see
that yours is the kingdom,
the power, the glory.
All is made new
- we hymn you.
